NOTHING WILL BE IMPOSSIBLE

Richard and Carolyn Hyde and Eliana Aliyah (c) 2009

You said that I could move a mountain / If I had faith like a mustard seed
You said that I could do greater things / Than my Messiah, well how can that be
Nothing will be impossible / For those who believe and are called by Your name

You said that I could walk on water / If only I would keep my eyes on You
You said that I would judge the angels / And judge the world, tell me how can that be
Nothing will be impossible / For those who believe and are called by Your name

You said that I should love my enemies / And I should do good to those who hate me
You said forgive seven times seventy / So many times, well how can that be
Nothing will be impossible / For those who believe and are called by Your name

YOU'LL ALWAYS BE PART OF US

Deborah Scheibler (c) 2009

For Shayna, Aaron and Rachel

So, do you think that you have made it / You made a choice / Do you think that you can take it / It's not always as easy as it seems.
Do you think you could have waited / Don't answer that / You could carry through and make it / I just want to see you realize your dreams
Cause you carry a world inside you / You're a piece of forever I know / And you'll carry our hearts behind you / Wherever you may go
So, when I see what you've created / I see a spark of hope / You could carry though and make it / I hope you do
He'll always love you little lamb / He'll always know where you began / His mercy reign over you love / You'll always be part of us

THE LATTER RAIN

Richard and Carolyn Hyde (c) 2009

You take my pain / And You take my tears / Send the latter rain / It will amount to all our fears
(1. You restore all that the locusts have eaten) / (2. You will wipe every tear from our eyes)
You will bring refreshing rain, restoring rain
We who sow in tears will reap with songs of joy / For the Lamb of G-d will lead us / To springs of living water / Send the latter rain

OUT OF EGYPT

Carolyn Hyde (c) 2009

For Brookie

So will I draw her / I will lead her into the desert / I will speak to her gently / I will open a door of hope
And there she will sing as in the days of her youth / As in the days she came out of Egypt
I will betroth you in love and compassion / I will always be faithful / And you will acknowledge the Lord

IN THE DESERT

Deborah Scheibler (c) 2009

So You brought me to the desert / My heart is open for You to see / If I cling to You and trust You / When my troubles surround me
My heart belongs to You / My hope and my trust I put in You
In the desert my shoes don't wear out / In the desert I have enough to eat
In the desert my love grows stronger / As You are taking care of me
In the desert I'm safe from danger / In the desert I'm safe from all my enemies
In the desert my love grows stronger / As You are taking care of me

I WILL NEVER LEAVE YOU

Richard and Carolyn Hyde (c) 2009

I will never leave you nor forsake you / I will never leave you says the Lord
Tell me how long must I wait to see salvation / Come to all my sons and daughters / Tell me how long must I wait, how long
I will always love you no matter what you do / I will always love you says the Lord
I don't want to live my life my way / I only want to live it Your way

RACHMAN RACHEM

Carolyn Hyde (c) 2009

Written in Dachau

Eshal Elohai yigal shvu-yim / Ye'esof zu-rim / Rachman Rachem (*Merciful G-d I beseech you to have mercy on all those who are in captivity*)

CAN'T FORCE A HEART

Richard and Carolyn Hyde, Mike and Angela Hersch (c) 2009

He's standing outside and He's waiting for you / You could run out the back door or answer His call
What you gonna do / He won't push 'cause He's waiting on you
You can't force a heart to believe / In the one who's gonna set them free
He gave ears and eyes to hear and see / So we could choose and we could know / The one who's gonna set us free
It doesn't matter where you've been or what you've done / You gotta find hope even when you've got none
Come in from the cold / Come back home to the warmth of His son
Out from the darkness / Take a journey of hope / One path to nowhere / And one path to home

WITHOUT YOU

Eliana Aliyah (c) 2009

You looked at the earth and it was formless and empty / And the heavens' light was gone
The mountains were quaking, the hills were swaying / And this is what it's like without you / This is what we're like without You
You looked and all the people were gone / The sky had no birds to fill it / The fruitful places were turned into ruins
And this is what we're like without You / This is what we're like without You
But with You we are full and complete / And the heavens shine brighter than ever
The sky is full and the ruins are restored again / The desert will blossom when we are with You
When we're with You, we're everything / When we're with You, You're everything

PEACE IN YOUR HEART

Carolyn Hyde (c) 2009

You've got a rare quality that I can observe / A rare quality indeed
You've got a rare quality that anyone can see / And it speaks of the peace in your heart
If you have found something that I can use / Tell me about it now
'Cause I want that rare quality that anyone can see / And I'll sing of the peace in my heart
Now when the Son came He brought a whole lot of light / He opened my eyes
I've been redeemed by the G-d of Yisrael / And I sing of the peace in my heart

HINE MAKOM ITI

*Carolyn Hyde and Harald Eckert (c) 2009
For Elhanan ben Avraham*

V'amar Adonai, hine makom Iti / Adonai, Adonai, El rachum v'chanun / Adonai, Adonai, Erech apayim v'rav chesed v'emet
Thus said the Lord, here is a place with me / Adonai, Adonai, Full of mercy and grace
Adonai, Adonai, Patient, abounding in goodness and truth
So spricht dein Gott, kom hier ganz nah zu mir / Adonai, Adonai, Voll Erbaumen und Liebe / Adonai, Adonai, Ueberfliessend in Guete und Licht

LEV TAHOR

Carolyn Hyde (c) 2009

Lev Tahor bra li / Lev tahor bra li Elohim / Ruach, ruach nachon v'chadesh / V'Ruach, ruach nachon b'kirbi
(Create in me a pure heart / Your Spirit is so right and true)

ONE VOICE

*Carolyn Hyde (c) 2009
For Hartmut & Dorica Richter and Michael Gertsman*

Take these words to heart in the places where you live / And when you return to the Lord
And obey Him with all of your heart
Then will He restore your fortunes before your eyes / Showering us with His compassion
And gathering us from all the nations
With one voice, we will call out with one voice / With one voice, we will call on the name of our God

CHOICES

Carolyn Hyde (c) 2009

It all comes down to eternity / Where will I stand / And who'll be waiting at the end of the line
Who is this man
And how can the son of G-d be born / What is His name / And how can I know if it's really Him
Where will I stand
What choice do I have / What choice will I make / To walk alone / Or walk with You
